

LADYS

B I O G R A P H Y

Hailing from Belgium, Lady S is a European sensation. Born in Antwerp, with Arabic roots, this female DJ is an international star. From music festival stages to Belgium's top 40-radio station MNM, Lady S has made her mark on the Europe music scene. Lady S speaks 5 languages; it is no wonder why she is a hot commodity around the world. The international DJ is more than just a music provider, she entrances over 100,000's of people to her style of entertainment, which she calls the Lady S experience. An experience not only formed by her technique behind the turntables but formed by her connection and interactions with the crowd.

This year marks 15 years in the business for this female DJ. Though her roots lie in hip-hop she grew up with a love for all genres, which is clear in her execution behind the turntables. Her mixes on Apple music Beats 1/ Q-Tip's Abstract radio show how diverse and astonishingly versatile she is. Her style is found in her ability to play urban, up-tempo, house, to trap and moombahton music, all with a touch of hip-hop. You can snag a listen of Lady S every Thursday on Belgium's MNM radio from 9 pm to midnight and Fridays from 10 pm to 11 pm.

In 2014 Notorious B.I.G.'s former DJ, DJ Enuff welcomed Lady S to the world's most elite and talented DJ crew, The Heavy Hitters. When in New York, Lady S can be heard mixing on Shade45/Sirius Radio or the worlds biggest Hip-Hop station Hot97, alongside her Heavy Hitter family DJ Camillo and DJ Enuff.

Lady S' success in the middle-east is due to more than just her Arabian heritage and looks, her international stardom was settled when she became affiliated with Dubai's UGP team as one of the first female Arabic DJs. From Japan, to Thailand, Russia and India, Lady S loves coming home to Europe. Her big love for fashion makes sure she always has her spot at Paris Fashion Week as she performs alongside fashion and music icons such as Travis Scott, Virgil Abloh, Usher, the Karadhians, Rihanna,...

Lady S began the top of 2017 with a feature on HighSnobiety's sound sessions where she played a set of what defines her more now, than ever; a mix of music genres with always a hip-hop touch which gives it the Lady S flavor.

Whether it is playing at Tomorrowland, the world's largest electronic music festival or tearing up the airwaves from Belgium to New York City, Lady S is your go to. When she isn't turning up on stages or radio stations she is in the studio producing remixes to the biggest hits played and supported by Diplo, Steve Aoki, DJ Camilo and more.

Next up for this female sensation? Her very own EP, which is set to release later this year. With 15 years of experience in the industry, she continues to grow and expand her horizon, sharing a sound with no borders.
